On April 19, 1984 Martin (Smitty) Koetter and Kenard Koetter and their wives Diane and Lisa; purchased Paynters IGA. Changing the business name to Koetter Bros. Jack & Jill.

Many changes have occurred through out the years. We have remodeled adding onto the existing building. We have also upgraded our equipment to provide a better shopping experience for our customers. Today you know us as Downs Super Foods, who strive to provide a wide variety of products and services to our customers.

Smitty and Diane have retired but still stay involved with the family operation. Their son Brian now manages the store with the help of 12 employees. Some have worked here for seventeen years, some are new, but all of them are here the make your day a little brighter!

We appreciate our customers and community and thank them for their continued support through out the years. It is because of you that we are here.
