SPOTLIGHT MEMBER OF THE MONTH

With 20 years of experience guiding the pheasant fields of North Central Kansas, Erik Vrbas, and his guides, have been providing guests from all over the world with hunts of a lifetime. Outdoor Obsessions has compiled some of the finest hunting properties you will see anywhere.

From the smallest farmsteads and sloughs, to giant CRP fields, Outdoor Obsessions has the right territory to hunt any size party. We have worked extensively on our habitat, and believe it shows, by the number of birds you will see over your stay. We look forward to hosting you on your next hunt of a lifetime!

Our goal at Outdoor Obsessions is to exceed the expectation of every guest, from your initial contact to the completion of your trip. Our staff is committed to making your experience safe and extraordinary.

We lease thousands of acres of prime hunting grounds in North central Kansas, just outside the historic railroad town of Downs, allowing us to provide quality hunts for pheasant, turkey, waterfowl, dove, quail, and prairie chicken. We hunt private land to assure you the highest quality experience.

See you in the field.
