## SPOTLIGHT MEMBER OF THE MONTH

Strikers! Bowling Center opened up in July 2003 after a complete remodel. Mike Heiland (Owner) purchased the alley from Dale and Marge Underhill in the summer of 2002 after they had shut it down in 2001.

Strikers! has been open now for 15 plus years and employs between 5 to 10 employees depending on its peak season.

Strikers! is a 8 lane bowling center with a bar and grill. It also offers league play, group rates, birthday party room, lock ins, game room, and a pro shop. Open bowling is offered year round on Friday evenings and Saturdays all day. Strikers! also offers extended hours during the winter holidays.

The bar and grill is open to the public during open bowling hours and league nights.

Leagues are offered on Sunday afternoons, Sunday evenings, Wednesday evenings and Thursday evenings from mid September through March. A summer league is also offered from mid May through July.

Hours of operation vary depending on the time of the year.

Strikers! is also located on Facebook where additional information and current hours are posted or you may call the alley at 785-454-3400.

Mike resides in Smith Center and is married to Amber Heiland and have 2 children Keegan and Lillie.
