SPOTLIGHT MEMBER OF THE MONTH

The name The Hair Shop might be older than the length of time Mandy Burda has owned it, but she is still excited to have ownership for over 20 years.

Mandy graduated Cosmetology school in 1995 and came to work for then owner of The Hair Shop, Deb Becker. After a year she returned to her home town and worked for 18 months growing her clientele and felt comfortable about being an owner of her own salon.

In the last 20 years Mandy has added services and retail to keep the atmosphere fresh. She has also added tanning, spray tanning, pedicure chair, a full line of hair products, candles, and new this last year is Boutique 602.

Mandy has freshened up her back room and put items from creative, talented local individuals along with purchased boutique items. With new items arriving weekly, it is a fun place to shop for a unique gift or a new piece of furniture for your home or business.

Not only was the Boutique added, The Hair Shop gained Katy Sullivan back as a stylist. Katy graduated cosmetology school three years ago. After graduation, she worked at The Hair Shop and then moved to Salina to freshen up her skills. She has come back to her roots with a few new additions to her talents.

The Hair Shop has a fun atmosphere that is up-to-date on styles and color as Mandy and Katy make time for continuing education classes. Mandy feels that with any business you need to keep up-to-date and attending these classes proves just that.

Stop by and take a look at what all is new at The Hair Shop and Boutique 602 or call 785-454-6670 to schedule an appointment with Mandy or Katy.
