SPOTLIGHT MEMBER OF THE MONTH

May 2019 marks the 5th Anniversary for ownership and management of the West Lake Inn by Downs residents, Donna and Danny Kennedy. Donna managed the motel for one year immediately after her mother, Carolyn Miller, long time manager, lost her seven year battle with cancer in 2013. At one time, Carolyn, Donna and Donna's daughter, Laura, all greeted customers at the motel. West Lake Inn caters to a large number of hunters and fishermen, many who have been returning to stay for years upon years, and to family and friends of area residents.

West Lake Inn has hosted guests from as far away as South Africa, Kuwait, England, Mexico, Canada, Australia as well as from throughout the United States. Our family has multiplied as we welcome the many friends we have made through the guests who come back year after year for Storytelling, Memorial Day, Downs Celebration, family reunions and the fishing and hunting seasons.

Donna, Danny and staff take great pride in making West Lake Inn "Your home away from home" when visiting the Downs area.
